OUR VISION

Leading and guiding shearing professionals by building capability, and driving for excellence at all levels of the workforce.

Our vision will guide our actions to ensure we deliver the future we want for wool harvesting.

Through our actions we will lead and build industry capability, be significant within the wool value chain and be recognised as a leader, driving and promoting excellence across the sector.

OUR MISSION

To Lead & Unify Shearing Contractors in New Zealand

To deliver our mission we will strive to:

- + Bring the Shearing Contractors of New Zealand together to create unity and understanding within our industry.
- + Keep our Members fully informed on all current issues that may benefit them.
- + Provide sound, practical, professional advice.
- + Maintain a network of contacts and mentors throughout New Zealand.
- + Enable each individual member to participate and enjoy the benefits of a strong group of like-minded contractors.

STRATEGIC PRIORITIES

- + **Be Significant and Respected within the Wool Value Chain.**
- + **Foster Whānau & Rural Community Wellbeing & Vibrancy.**
- + **Lead the development of a strong, sustainable, skilled workforce.**
- + **Kaitiaki of Shearing in Aotearoa.**
